

Nazca-i Solutions Workshop  
 on  
**Contaminated Land  
 Information Systems: Nazca-i  
 Spatial Database System**

Nazca-i Solutions have developed Europe's only 100% web based database system that is an ideal tool for storing and retrieving data on contaminated land by a user pay basis.

*9.00 - 12.00*      *Tuesday 23 March 2010*  
**Hawke's Bay Regional Council Offices**  
**159 Dalton Street, Napier**
